

CRANBERRY ICE

Hand, Hair & Body Wash

PRODUCT DESCRIPTION:

Lite'n Foamy CRANBERRY ICE is a high end, designer-type hand, hair and body wash formulated for luxurious foam delivery through Spartan's Lite 'n Foamy Dispenser. Lite'n Foamy CRANBERRY ICE is clear red in color, has low viscosity and has a distinctive cranberry fragrance.

Designed for use in institutional, commercial and even industrial settings, Cranberry Ice offers these benefits:

PURE COSMETIC LOOK AND FEEL:

Raw materials in the Lite'n Foamy CRANBERRY ICE formula were specially selected for their ability to contribute to a luxurious foam and well-conditioned soft, silky feel during and after use. As an example, Lite'n Foamy CRANBERRY ICE contains surfactants, opacifiers and foam boosters that provide emolliency and detergency.

VERSATILE:

Lite'n Foamy CRANBERRY ICE offers excellent cleaning ability while maintaining it's mild, gentle features. As a consequence, it can be used for shampooing hair and as a body shower wash.

PLEASANT TO USE:

A blend of fruit-based fragrances, Lite'n Foamy CRANBERRY ICE, is tinged with a tangy, cranberry essence. Recent new fragrance preference surveys prove Lite'n Foamy CRANBERRY ICE to be a popular choice. The fragrance is sure to appeal to a wide variety of users.

FREE MARKETING STICKER:

Order copies of the Spartan "Wash Hands" reminder stickers. These FREE, self adhesive, laminated stickers are a great reminder for employees and the general public to wash their hands and help facilities comply with local and state health ordinances. Stickers are most effective when placed in restroom stalls, above urinals, on exit doors and above sinks.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

GUARANTEE:

Spartan's modern manufacturing and laboratory control insure uniform quality. If dissatisfied with performance of product, any unused portion may be returned for credit within one year of the date of manufacture.
