EXTREME PURITY:

The highly complex mixtures of paraffin and naphthenic hydrocarbons are carefully selected for their extreme purity. The refined hydrocarbon white mineral oils meet or exceed the highest quality standards and are the only oils formulated into Spartan's Food Grade Machinery Lubricant.

LOOSENS/PROTECTIVE:

A special blend of mineral oil that lubricates and loosens contaminants. Food Grade Machinery Lubricant effectively loosens rust, dirt and grime while leaving a protective barrier.

TYPICAL APPLICATIONS:

Recommended for commercial, industrial and institutional use. Meets Federal regulations for lubricants with incidental food contact when applied to food processing equipment such as mixers, bottle filling machinery, conveyors and other machinery used for producing, manufacturing, packing, processing or holding food. Formulated to meet sanitary requirements for use on certain parts of machinery such as rollers, chains, pistons, cams, pumps and valves.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before using read product label and MSD sheet. If questions remain, consult your employer or a physician.

1. Shake can well before using and occasionally during use.
2. Spray directly on delicate machinery, moving parts, equipment or surfaces to be treated.
3. Coat surfaces thoroughly and allow it to penetrate.
4. Always spray in well-ventilated area.
5. Reapply product at regular intervals to maintain lubricity, protect and extend working life.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

SPECIFICATION DATA:

- Form – Pressurized liquid (aerosol can)
Color - Water Clear
Specific Gravity 0.80 – 0.85 @ 60°F (concentrate)
Stability:
- a. Shelf @ 70°F - Stable at least one year
 - b. Freeze/Thaw - Three (3) cycles

PACKAGING

652500 20-ounce cans (12 per case)

Distributed by:

Label copy is provided in English and Spanish.

GUARANTEE: Spartan's modern manufacturing and laboratory control insure uniform quality. If dissatisfied with performance of product, any unused portion may be returned for credit within one year of the date of manufacture. Use product as directed and read all precautionary statements.

For institutional and industrial use only.
